

Please carefully select your company's products from this list, and indicate each product's number on the data update form. **Do not return this packet**—only the completed data update form. Your listings will appear in CONCRETE CONSTRUCTION, THE CONCRETE PRODUCER, MASONRY CONSTRUCTION, or PUBLIC WORKS magazines.

To add or change product categories, please refer to this booklet. Please carefully select the appropriate product categories and include only those that your company actually manufactures or distributes. Note that we will carefully audit your response to check for proper product selection. Please indicate whether you are an association, distributor, or manufacturer.

To view this list alphabetically by product category name or in numerical order, visit [www.pwmag.com/sourcebook](http://www.pwmag.com/sourcebook).

## PRODUCT LIST— NUMERICAL

1	Castings, adjustable	39	Bead dispensers	81	Cathodic protection, piling
2	Aeration	40	Beads, reflective	82	Cathodic protection, rebar
3	Landfill leachate control	41	Bentonite	84	Centrifuges
4	Aerators	42	Biological additives	85	Chain saws & parts
6	Aerial platforms, buckets & derricks	43	Biomass incineration systems	86	Feeders
7	Aerosol paints	44	Bird control	87	Chemical handling equipment
8	Air classifiers	45	Bitumen dispensers	88	Brush chippers
9	Filters, air compressor	46	Blades & cutting edges	89	Chlorinators
10	Air dryers	47	Blading equipment, shoulder	90	Chlorinators
11	Air strippers	48	Bleachers	91	Analyzers, chlorine
12	Air testing	49	Document handling & storage	92	Chlorine dioxide systems
13	Aquaculture	50	Truck bodies	93	Chlorine evaporators
14	Aquatic weed and trash removal	51	Boiler tube cleaning	94	Recorders, chlorine flow
15	Arrow boards	52	Boron reduction	95	Chlorine generators, onsite
16	Asbestos abatement	53	Bearing pads	96	Chlorine handling equipment
17	Asphalt additives	54	Decks	97	Monitors, chlorine residual
18	Asphalt cutters	55	Flooring	98	Chromatographs
19	Asphalt distributors	56	Inspection equipment	99	Clamps
20	Asphalt emulsifiers	57	Navigational aids	100	Clarifiers & accessories
21	Asphalt emulsion storage tanks	59	Bridge rehabilitation & repair	101	Clarifiers, upward flow
22	Asphalt emulsions	60	Bridges, concrete	102	Traffic classifiers
23	Asphalt patching & overlay materials	61	Park & golf course bridges	103	Tub grinder hammers
24	Asphalt reconditioning	62	Bridges, galvanized	104	Closed circuit television systems
25	Asphalt rubber	63	Bridges, panel & prefabricated	105	Clothing & flags, work zone
26	Asphalt stabilization	64	Bridges, pedestrian	106	Coatings & linings, tank
27	Asphalt transport vehicles	65	Bridges, timber	107	Bridge coatings
28	Snow & ice control attachments	66	Brushcutters	108	Refuse collection vehicle coatings
29	Container locks, automatic	67	Backhoe attachments	109	Container coatings
30	Backflow preventers	69	Buildings	110	Coatings & linings, pipe
32	Balers	71	CAD systems	111	Coldplaners
33	Balers, wire tying equipment	72	Calcium chloride	112	Analyzers, colorimetric
34	Barricades	73	Calcium hypochlorite	113	Gas detectors
35	Asphalt batch controls	74	Carbon, activated	114	Comminutors
38	Beach cleaners	75	Monitors, carbon monoxide	115	Compactor attachments
		76	Casings	117	Sludge gas compressors
		77	Catch basin cleaners & leaf loaders	118	Computer systems
		78	Catch basin cleaning contract	119	Computerized utility data
		80	Cathodic protection, parking garages	120	Computerized analysis
				122	Deck protection
				124	Floor & wall scarifiers & grinders

125	Grass pavers & grids	202	Generator sets, electric	283	Grit disposal
131	Cones & guards	203	Monitoring electrodes, pH	284	Exploration & development
132	Contract operation	205	Field books	285	Monitoring & sampling
133	Filter controls	206	Engineering & construction	287	Guardrail
134	Traffic control, computerized	209	Engines, dual fuel	288	Hammermills
135	Controls, traffic signal	211	Bonding agents, epoxy	290	Hazardous materials storage buildings
136	Herbicide sprayer controls	212	Epoxy dispensers	291	Hazardous materials detection
137	Controls, lighting	213	Pressure washers	292	Hazardous waste analysis services
138	Controls, process	214	Traffic line erasers	293	Hazardous waste destruction
139	Spreader controls	215	Erosion control fabrics	294	Hazardous waste management
140	MRF conveyors	216	Revegetation mats	295	Hazardous waste transportation
141	Salt conveyors	220	Explosion protection systems	296	Heat exchangers, boiler
142	Conveyors, solid waste	221	Fans, confined space	298	Heaters-planers
143	Corporation stops	222	Fencing	299	Herbicides & growth regulators
144	Water system chemicals	223	Fencing, snow control	300	Hydrant fittings & accessories
145	Sewerage facilities	224	Ferric sulfate	301	Hydrants
146	Traffic counters	225	Ferrous metal recovery	302	Hydraulic pressure rodders & jettors
147	Couplings	226	Asphalt fiber reinforcement	303	Hydraulic splitters
148	Courts & ball walls	228	Fiberscope inspection	304	Snowplow hydraulic systems & controls
149	Covers, air & tension supported	229	Filter distributors	305	Hydraulic systems & controls
150	Covers, floating	230	Filter drainage floors, wastewater	306	Hydrocarbon detection
151	Covers, tank & structural	231	Filter drainage floors, water	308	Hydrogen sulfide detectors & testing
152	Covers & tarps	232	Filter gauges & accessories	309	Hypochlorinators, onsite
155	Crushers, barrel, can & glass	233	Filter media, water	310	Ice detectors
156	Crushers, oil filter	234	Filters, automatic backwash	311	Impact attenuators
157	Culvert cleaners	235	Filters, centrifugal	313	Incinerator controls
158	Culverts, precast concrete	236	Filters, diatomite	314	Incinerator grates & charge gates
159	Curb edgers	237	Filters, pressure	315	Incinerator refractories
160	Curb grading line tool	238	Filter media, wastewater	316	Incinerator repair parts
161	Curbs, precast concrete	239	Filters, submicron	317	Incinerator residue handling
163	Curve speed indicators	240	Filters, vacuum & belt	318	Incinerator stacks & linings
164	Cutting & welding equipment	241	Pipe & fittings, bronze & copper	319	Incinerators, air pollution control
165	Data collection systems, hand-held	243	Equipment acquisition & management	320	Incinerators, air pollution monitoring
166	Data conversion services	244	Flocculators	321	Incinerators, large
167	Dechlorination	245	Safety & non-slip floor systems	322	Incinerators, large, cogeneration
168	Degasifiers	246	Fluidized bed furnaces	323	Incinerators, modular
169	Dehumidifiers & indicators	248	Fluoridation	324	Incinerators & refuse-fired boilers
170	Chemicals, deicing	249	Flumes, measuring	325	Incinerators, scrap tire
171	Delineators, guide posts & markers	250	Forms, curb & sidewalk	326	Heaters, infrared
172	Demineralizers	254	Fountains, drinking	327	Intercoms
173	Demolition agents	255	French drains	328	Intersection movement counters
174	Desalination	256	Fuel additives	329	Iron reduction
175	Traffic detectors	257	Fuel dispensing systems	330	Irrigation, wastewater
176	Dethatchers	258	Fusion machine	332	Asphalt joint & crack sealing
177	Diamond core bits	259	Gabions	334	Knuckle & pedestal booms & loaders
178	Diatomaceous earth	260	Park benches & tables	335	Laboratory & field testing equipment
180	Covers, digester	261	Gates, backwater	336	Laboratory furniture
181	Digester gas purifier	263	Parking gates	337	Laboratory services
182	Digester & tank cleaners	264	Gates, shear	338	Lamp testers
183	Digester, pond & tank cleaning services	265	Gates, sluice	339	Landfill equipment trash blades
184	Digesters, aerobic	266	Gauges, liquid level & pressure	340	Landfill buckets
185	Digesters, anaerobic	267	Gear drives	341	Landfill compaction wheels
186	Digitizing & scanning	268	Generators, hydraulically driven	342	Landfill compactors
187	Directional drilling equipment	269	Generators, Vehicle-Mounted	343	Landfill contract operation
188	Analyzers, dissolved oxygen	270	Geographic information systems (GIS),	344	Landfill cover
189	Distance meters	271	Geomatrixes	345	Landfill equipment fire suppression
190	Ditching equipment & parts	272	Glass recovery	346	Landfill gas flares
191	Doors, windows & fixtures	273	Glass recycling	347	Landfill haul wagons & trailers
193	Dredging	274	Global positioning systems (GPS)	348	Landfill investigations
196	Drills & augers, earth	275	Racket & ball court equipment		
197	Drills & augers, sampling	276	Graders & accessories		
198	Drum storage & handling	277	Grease interceptors & concentrators		
200	Dye tracers	280	Grit collectors		
201	Edgers	282			

349	Landfill mining equipment	424	Meters, electromagnetic	496	Pavement reclamation/recycling
350	Landfill odor control	425	Meters, flow	497	Asphalt pavers
351	Landfill resource recovery	426	Meters, hydrant	500	Micro-surfacing pavers
352	Landfill screening plant	427	Meters, magnetic flow	502	Picnic grills & fire rings
353	Landscape rakes	428	Meters, manhole	503	Park shelters & buildings
354	Landspreading	429	Meters, open channel ultrasonic	504	Pile hammers
355	Landfill leachate treatment	430	Meters, pH	505	Piling
356	Lead abatement supplies	431	Meters, propeller	506	Pipe, aluminum
357	Lead detection	432	Meters, remote reading	508	Pipe, asbestos-cement
358	Lead reduction	433	Meters, residential	509	Pipe boring
359	Leaf mulchers	434	Meters, ultrasonic	510	Pipe, cast-in-place concrete
360	Leak detection	435	Meters, venturi	511	Pipe, concrete
361	Monitors, chlorine leak	436	Meters, vortex	512	Pipe & fittings, concrete pressure
363	Liftgates	437	Meters, compound	513	Pipe, corrosion resistant
364	Lifts	438	Meters, current (turbine)	514	Pipe, corrugated steel
365	Lighting, interior	439	Meters, water & liquid level	515	Pipe cutting & tools
366	Lighting	440	Landfill methane recovery	516	Pipe & fittings, ductile iron
367	Lights, vehicle-mounted	441	Microstrainers	517	Pipe & fittings, brass
368	Lime slakers	443	Mixers, flash	518	Pipe & fittings, plastic
369	Line stopping	444	Mixers, jet	519	Pipe fittings & restraints
370	Container liners	445	Patching mixers	520	Pipe jacking
371	Landfill liners	446	Mixers, static	521	Pipe joints, expansion
372	Liners, leak detection	447	Asphalt mixing plants	522	Pipe joints, flexible
373	Landfill liner leak detection	449	Motors, hydraulic	523	Pipe joints, grooved
374	Liners, reservoir	450	Motors, submersible pump	524	Pipe joints, mechanical
375	Liners, wastewater pond	451	Mowers & parts, flail	525	Pipe joints, push-on
377	Litter baskets & receptacles	452	Mowers, greens	526	Pipe joints, restrained
379	Litter receptacles	453	Mowers, park/recreation area	527	Pipe joints, rubber gasket
382	Loaders, integral	454	Mowers & parts, reel	528	Pipe joints, sleeve-type
384	Snow loaders	455	Mowers & parts, rotary	529	Pipe lubricant
385	Loaders, truck-mounted	456	Mowers & parts, sickle bar	530	Pipe, plastic drainage
387	Locks	457	Mowers & parts, slope	531	Pipe pushing & pulling
388	Lubricants	458	Mud & slab jacking	532	Repair equipment
389	Luminaire lamps & globes	459	Asphalt equipment, multi-purpose	533	Pipe & fittings, steel
390	Luminaires, ornamental	460	Wastewater treatment, natural	534	Pipe stoppers
391	Luminaires, street/area	461	Traffic noise barriers	535	Tapping, sewer pipe
392	Magnetic scheduling boards	462	Non-ferrous metal recovery	536	Thawing & heating
393	Manganese reduction	463	Nozzles, spray	537	Pipe, vitrified clay
394	Casting lifting devices	464	Nutrient removal & advanced treatment	538	Plants, complete wastewater
395	Extension rings	465	Odor control	539	Plants, complete water
396	Manhole inserts	466	Asphalt oil heaters	540	Playground equipment
397	Manhole metering, prepackaged	467	Oil removal & grease control	541	Playground safety surfaces
398	Manhole rehab & repair	468	Oil treatments	542	Plotters
399	Steps	469	Analyzers, organic carbon	543	Pneumatic ejectors
400	Manholes	470	ORP cells	544	Pneumatic line control
401	Vacuum testing	471	Oxygen demand testing	545	Pneumatic water systems
402	Maps	472	Ozonation	546	Light poles & hardware
403	Marking systems, pipe	473	Monitors, ozone	547	Concrete overlays, thin polymer
404	Tennis court marking tapes	476	Traffic line paint	548	Polymers, coagulant
405	Material recovery facilities (MRFs)	477	Bicycle parking	549	Polyphosphates
407	Melters	478	Parking lot striping layout equipment	550	Lake, pond & reservoir algacides
408	Metals reduction	479	Parking meters	551	Pool coatings
409	MRF metal separators	480	Parking stops	552	Pool filters & accessories
410	Meter accessories	481	Parking systems & equipment	553	Prefabricated pavement edge drains
411	Meter boxes	482	Particle counters	554	Filter presses, mobile
412	Meter modernization	483	Asphalt patchers, infrared	555	Sludge dewatering devices
413	Meter protection	484	Masonry patching and coating	556	Salt prewetting systems
414	Meter reading	485	Asphalt patching equipment	557	Primers
415	Parking meter reading	490	Pavement management	559	Pugmills, cold mix paving
416	Meter setters	491	Pavement marker adhesives	560	Concrete pulverizers
417	Meter testing & repair	492	Pavement marking materials, epoxy	561	Pump & pump station accessories
418	Meter yokes & couplings	493	Pavement marking stencils	562	Pump & motor controls
419	Metering & recording, demand	494	Pavement marking tape	563	Drives, variable speed
420	Meters, air	495	Pavement milling equipment	564	Pumping stations, portable bypass
421	Meters, automatic reading			565	Pumps, airlift
422	Meters, conductivity			566	Pumps, centrifugal
423	Meters, dissolved oxygen				

568	Pumps, dewatering & trash	639	Pavement marking tape, removable	710	Sewers, trenchless rehabilitation
569	Pumps, diaphragm	640	Resource recovery	711	Sewer & manhole cleaning machines
570	Pumps, disc	641	Restrooms & accessories	712	Sewer testing & inspection
571	Pumps, displacement water	643	Retroreflectometers	714	Shredder shockload protection
572	Pumps, dockside holding tank	644	Reverse osmosis	715	Shredders, wood waste
573	Pumps, fire	645	Revetment systems	716	Sign blanks
574	Pumps, grinder	646	Rippers & scarifiers	717	Sign cleaning equipment
575	Pumps, peristaltic	647	Road brooms	718	Sign fasteners
576	Pumps, progressive cavity	648	Road plates	719	Sign making equipment
577	Pumps, reciprocating	649	Road rakes	720	Sign post drivers
578	Pumps, rotary	650	Road wideners	721	Sign post pullers
579	Pumps, screw	651	Rodent control	722	Sign posts, breakaway
580	Pumps, sludge	652	Rollers, patching	723	Sign supports & accessories
581	Pumps, submersible	653	Rollers, pneumatic	724	Signal mounting systems
582	Pumps, sump	654	Rollers, sheepfoot	725	Signals, lane control
583	Pumps, turbine	655	Asphalt rollers, smooth-wheel	726	Signals, pedestrian
584	Pumps, Vacuum	656	Rollers, vibratory	727	Traffic signals
585	Pyrolytic tire disposal	657	Roof moisture meters	728	Signs, changeable message
586	Pyrolysis systems	658	Roofs & roofing materials	729	Signs, street name
587	Refuse-derived fuel (RDF) plants	659	Screens, trommel	730	Signs & materials
589	Railings	660	Rotating biological contactors	731	Silt fence fabrics
590	Railroad crossing safety equipment	661	Asphalt, rubberized	732	Bed enclosures
591	Railroad grade crossing systems	662	Safety equipment, confined entry	733	Codisposal systems
592	Rain gauges	665	Digester safety instrumentation	734	Compost marketing services
593	Screen rakes	666	Portable signs & holders	735	Composting equipment & shredders
594	Rear viewing & back-up safety	667	Salt	736	Density & conditioning control
595	Recorders, pH	668	Samplers, automatic	737	Sludge drying
596	Recorders, water level	669	Samplers, sewage & stormwater runoff	738	Gas boilers
597	Recycling collection contractors	670	Samplers, water	740	Gas safety devices
598	Recycling compactors, curbside	671	Samplers	741	Gas storage
599	Recycling containers	672	Sand & abrasive blasting	742	Heat exchangers
600	Recycling management services	674	Pavement saws & blades	743	Sludge heating
601	Traffic sign reflective materials	676	Scaffolds, work decks, scissor-lifts &	744	Incinerators
602	Pavement markers, reflective	677	Chlorine scales	745	Metals recovery
603	Refuse buckets & grapples	678	Traffic scales	746	Mixing & scum breaking
604	Refuse collection contractors	679	Planning & scheduling equipment	747	Pelletization & fertilizer production
605	Truck replacement parts	681	Screening accessories	748	Reactors
606	Truck steering controls	682	Screens, coarse	749	Sludge removal equipment
607	Trucks, front loading	683	Screens, disc water	750	Solidification & fixation
608	Trucks, hook lift hoists	684	Screens, drum wastewater	751	Thermometers
609	Cart dumpers	685	Screens, drum water	752	Transfer equipment
610	Trucks, rear loading	686	Screens, fine water	753	Slurry cut-off walls
611	Trucks, right-hand drive	687	Screens, intake	754	Slurry sealers
612	Trucks, roll-off hoists	688	Screens, static wastewater	755	Slurry tunneling systems
613	Trucks, satellite	689	Screens, vibrating refuse	756	Smoke testing equipment
614	Trucks, side loading	690	Screens, vibrating wastewater	757	Snowblower augers
616	Trucks, used	691	Screens, water micro	758	Snowblower shoes
617	Compactors, stationary	692	Screens	759	Snowblowers
618	Composting equipment	693	Asphalt sealants	760	Snowplows
619	Container lids	696	Parking garage sealants	761	Snowplow blades & inserts
620	Container resins	697	Sealcoating	762	Softening, lime
621	Cart wheels	698	Seeds, wildflower	763	Softening, zeolite
622	Bags	699	Seismographs	764	Software, civil engineering
623	Containers, bulk	700	MRF separation systems	765	Software, fleet management
624	Carts, roll-out	701	Separator, combined sewer overflow	766	Software, transportation engineering
626	Conveyors, biosolids and sludge	702	Septic tanks	767	Software, infrastructure maintenance
629	Pneumatic systems	703	Sequencing batch reactors	768	Software, project management
630	Push pits	704	Service & line bodies	769	Software, traffic analysis
631	Trucks, recycling	705	Sewer cleaning & maintenance	770	Water/wastewater network maintenance
632	Shredders, pulverizers & grinders	706	Sewer grouting	771	Water/wastewater engineering
633	Shredders, shear type	707	Sewer sliplining	772	Soil analysis
634	Transfer stations	708	Sewer joint repair	773	Solar energy systems
635	Transfer station compactors	709	Sewers, chemical root control		
636	Transfer station trailers				
637	Weighing				
638	Remotely operated vehicles (ROV)				

774	Consultants	844	Thickeners	915	Valves, pressure reducing
775	Spectrophotometers	845	Tire chains	916	Valves, process control
776	Speed bumps	846	Tire disposal facilities	917	Valves, resilient seated gate
777	Sprayers, ground speed control	847	Tire liners	918	Valves, surge control
778	Spill containment	848	Tire shredders & splitters	919	Valves, telescoping
779	Asphalt sprayers	850	Tires, foam-filled, & sealants	920	Tank vaults
781	Herbicide sprayers	853	Total stations	921	Vibrators, dump body
782	Paint sprayers	854	Towsweepers	924	Videos
783	Spreader augers	855	Tractors, multi-purpose	925	Visibility sensors
784	Spreader spinners	856	Traffic signal bases	926	Wall drainage boards
785	Aggregate spreaders	857	Trailers, dump	927	Lights, warning
786	Spreaders, deicing liquids	859	Transfer station, pre-paint maintenance	928	Washers, filter surface
787	Spreaders & top dressers	860	Transfer station floors	929	Washwater troughs, filter
788	Spreaders, sand & chloride	862	Trench backfillers	930	Heaters, waste oil
790	Stoker repair parts	863	Trench compactors	931	Waste oil recycling & storage
791	Stonepickers	864	Trench shielding	932	Wastewater flotation units
792	Salt storage	865	Trench shoring	933	Water flow studies
793	Storm sewer inlets & catch basins	866	Trench shoring	934	Monitors, water level
794	Strainers, pipeline & suction	867	Trenchless excavation services	935	Controls, water & liquids
795	Street flushers	868	Filter media, trickling filter	936	Water main cleaning & maintenance
796	Street furniture	869	Racks	937	Water main joint repair
797	Castings & accessories	870	Underbody blades	938	Water main lining services
798	Street sweeping contractors	871	Dump trucks & dump trailers	939	Water main testing & inspection
799	Stripers, field	872	Snow control trucks	941	Weather forecasting
800	Stripers, hot thermoplastic	873	Tub grinders	942	Weighing systems
801	Stripers, traffic line	874	Tube & plate settlers	943	Weirs, measuring
802	Striping contractors, hot thermoplastic	875	Tunnel lining	944	Weirs & skimmers
803	Striping, cold applied acrylic	876	Turbidimeters & standards	945	Well restoration
804	Striping, cold-applied thermoplastic	877	Turbines, hydroelectric	946	Wet-air oxidation
805	Striping, hot thermoplastic	878	Turf vacuums & blowers	947	Crushers, wheel
806	Striping, preformed thermoplastic	879	2-D measurement systems	948	Wire, cable & conduit
807	Stump cutters/grinders	880	Underground tank management	949	Workstations
809	Landfill under-liners	881	Underground tank leak detection & construction	950	Yard waste composting
810	Subsurface soil injection	882	Underwater inspection	951	Yard waste containers
811	Sulfur dioxide	883	Underwater inspection & construction	952	Yard waste disposal facilities
812	Digester supernatant	884	Utility bill collection	953	Grout, anchor
813	Surfactants	885	Pavement markers, utility	954	Litter collection vehicles, vacuum
814	Surveying systems, computerized	886	Utility vehicles	955	Exhaust system accessories
815	Surveying systems, land-based	887	Vacuum litter collection equipment	957	Lead in soil sampling kits
816	Sweeper brooms	888	Vacuum sewers	958	Environmental equipment &
817	Sweeper drag shoes & resole kits	889	Vacuum tankers	959	Coatings, algae resistant
818	Sweeper replacement parts	890	Valve box cushions	960	Reno mattresses
819	Sweepers, airport	891	Valve box locators	961	Pressure-treated lumber
820	Floor sweepers & scrubbers	892	Valve & service boxes	963	Alternative fuel vehicles
821	Sweepers, magnetic	893	Valve maintenance	965	CNG vehicles
822	Sweepers, mechanical	894	Valve operators (actuators)	966	Mowers & parts, boom controlled
823	Sweepers, regenerative	895	Valve position indicators	967	Pumping stations, prefabricated
824	Sweepers, vacuum	896	Valve protection	969	Geogrids
825	Switchgear	897	Valves, air	970	Scale removal
826	Asphalt tampers	898	Valves, altitude	971	Trench pavers
